

Free Money for El Carmelo

It costs you nothing!

What is eScrip?

eScrip is an easy way for schools and children's programs to raise funds through your everyday purchases at participating merchants. It costs parents absolutely nothing.

How much money can a school earn?

The El Carmelo PTA has received between \$8,000 to \$12,000 per year from eScrip.

How does it work?

Over 150 merchants reward customer loyalty by contributing a percentage of your purchases to El Carmelo. You simply register your debit/credit and Safeway club cards with eScrip. Whenever you shop, up to 3% of what you spend goes to El Carmelo. The sooner you sign up, the sooner dollars you are already spending go to work for your child's school!
